The Environment & Energy Usage Policy of F C College for Women Hisar, is to manage energy in such a way so as to minimize its bad impact on the earth planet. This policy implies to discover the renewable energy resources to reduce the burden of the system and to find out substitute natural options as solutions to energy crisis. It will help us to implant efficiently and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage. The Botany, Zoology, Chemistry, biotech, EVS& Physics Departments along with Eco Club, NSS, NCC units of our college are devoted to the cause of environmental awareness to undertake green initiatives to save energy and to protect the environment.

### **Policies:**

F C College for Women Hisar, Haryana pledges to fulfill its commitment to the environment through following levels of action by:

1. Solar panel is installed on top roof.
2. All new lights procured will be LED lights only. Timely switching off and switching on of street lights.
3. Optimum use of air conditioners. Switch on as and when required.
4. Minimum use of blowers and heaters. Phased manner replacement of electrical appliances like ACs, Fridge, etc. with Energy efficient appliances.
5. Activate power management features on your computer and monitor, so that it will go into a low power "sleep" mode when you are not working on it.
6. Minimum use of ground water by reduced hours of pumping.
7. Regular checking of leakage in water pipe lines and taps.

8. Save water and save electricity stickers placed at prominent places.

9. Conduct of different awareness campaign on "Save Water", "Save Trees" & Save Electricity through lectures/different competitions etc. Tree plantation in Campus.

10. Ensuring ban on single use plastic bags in campus. Encourage use of public transport.

Waste collection bins (i.e. burnable, non-burnable & recyclable) and their management.

11. Increasing use of digital library.

Policy communication & Review This policy will be communicated to students, teaching and nonteaching staff through internal communication channels and will be made available to public through college website. All out efforts will be made for the implementation of policy in the right spirit. The Environment & Energy Policy, objectives and targets will be reviewed on regular basis under the guidance of the Principal of the College.
